Sir,

With reference to your letter No L 5867/Ml 26-28-40 dated 2nd March 1929 forwarding for report, the petition of (Flag A) Mr Haji Mahomed Madar Sab, Toll-Gate Contractor, Chamarajanagar Municipality, praying that he may be permitted to collect toll on vehicles coming from the Chamarajanagar Railway Station and Goods Shed and also on fuel carts etc, I have the honor to state that the President, Municipal Council, Chamarajanagar reports that as regards the item No 1 referred to in the petition, (Flag P) it is mentioned in the sale notification of 1927-28 and 1928-29 (Flag R) enclosed with the petition, that the toll of Nanjangud Road was located near the Survey No 659-3 to the east of Railway Road during (Flag S) 1927-28 while during 1928-29 the same was located near Sanjeevana (Flag T) Sale Notice (Flag U) Sale B) Chavadi This change during the year 1928-29 is reported to have been effected on the ground that the rate payers protested against the levy of toll during the year 1927-28 on vehicles coming from the Railway Station and Goods-shed As the sale notification was clear enough on the point, the contractor has no grounds for complaint

(2) As regards the levy of toll of one anna per cart carrying fuel to the Railway Station for transport to the Mysore Government Sandal-Wood Oil Factory, kind reference is invited to the copy of letter No Mis 944 dated 6th December 1927 from the District Forest Officer, Mysore, (enclosed in the file) that the fuel transported was the property of Government and as such, it was exempt

from the levy under clause (f) of para 14 of the sale notification

(3) As regards the permission to the contractor to remit the monthly instalments of the contract amount by the end of the month instead of on the 1st of each month I have the honor to invite kind reference to Government Order No L R 8729-40/R M 9-27-53 dated 15th May 1928 according to which the monthly instalments have to be paid in advance which fact has been made clear in para 6 of the sale notification of 1928-29

(4) In the above circumstances the petitioner has no claim whatsoever on the Municipality for any compensation or remission of monthly instalments as prayed for in the last para of the petition

(5) The entire file of papers ending with report No 484 dated 20th March 1929 from the President Municipal Council Chamarajanagar together with the petition with its enclosures received with your letter under reply is enclosed herewith for reference

Municipal Appeal No of 1928-29

_e_e_

(Appellant) Petitioner -

Haji Mahammad Madar Sab, Toll Contractor, The Chamarajanagar ~~Major~~ Town Municipality, Chamarajanagar, Mysore District

--(Vs)--

(Respondent) Opponent -

The Chamarajanagar Town Municipality

_e_e_e_e_

Aggrieved from the decision of the Chamarajanagar Town Municipality that no Toll should be collected from the vehicles coming from the Chamarajanagar Railway Station and Goods' Shed at the Nanjangud Road Gate, communicated to the petitioner in their Endorsements dated 30th December 1928 and 31st December 1928 hereto annexed, on the alleged ground that the -

said Railway Station and the Goods' Shed are outside the Municipal limits of the said Town, the petitioner begs to approach the Government with this appeal on the following among other

GROUNDS

1 All the Toll Gates are within the precincts of the said Town Municipality, the only change that is effected being that the Toll Gate Shed which up till recently was to the left of the road from the Railway Station is now removed to its right side and is about 10 or 12 yards from it and not more and beyond this slight change, made at whatever instance, and in no way connected with the collection of Toll, the conditions of Toll Contract Sale are the same this year as in the last.

2 During previous years, Toll used to be collected from carts carrying fuel to the Railway Station for transport to the Mysore Government Sandalwood Oil Factory, at the rate of one anna per cart, and this year, the petitioner is told that no Toll should be collected from

12

from such carts though such do not come within the excepted vehicles under the Regulation nor are found mentioned in the current year's Sale Proclamation

N O T E --(1) The petitioner begs to submit that since the first day of the present year's contract, over ten to twelve thousand such - carts have passed that way, and his loss is, therefore, 10,000 to 12,000 annas at the least estimate

(2) The petitioner purchased the Toll Contract at the Sale on a knowledge of the pre-existing conditions and of the - matter embodied in the Sale Proclamation and if there had to be such reservations, the matter ought to - have been notified previously to the sale itself

(3) During the previous years, the Municipality would demand only a depositing of two months' instalment of ~~a lease~~ ahead and require the contractor to remit each month's instalment by the end of that month, but - this year, the petitioner is put to - additional ~~load~~ hardship as the Municipality demands of him remitting of each month's

instalment

instalment on the first itself of that month

(4) The petitioner begs to submit that this is not wholly a Civil matter as the Government alone have to give their decision as to what area is comprised within a Town Municipality and on what vehicles etc., Toll can be imposed, and therefore seeks - redress at the hands of the Government

## P R A Y E R

W H E R E F O R E, the petitioner prays that the Government ~~is~~ be pleased to order that the--

(1) Toll may be collected on - vehicles coming from t h e Chamarajanagar Railway Station and Goods' Shed,

(2) Toll of one anna per cart may be collected even on the - fuel carts referred to in - para 2 above,

(3) Petitioner be allowed to remit the monthly instalments of the contract amount by the end of each month,

a n d

(4) Proper compensation, by way of cash

4

cash or of remission of his monthly instalments for a suitable period, for the loss he has sustained for the foregoing reasons
